

## School Profile Statement

At Knox Park Primary School, we support the right of all members of the school community to access safe and inclusive learning environments, including digital and online spaces. This form outlines the School's roles and responsibilities in supporting safe digital learning, as well as the expected behaviours we have of our students when using digital or online spaces.

At our School we:

- Have a **Student Engagement Policy** that outlines our School's values and expected student behaviour.
- Have a **Damage to School Equipment Policy** that outlines damage or loss of ICT equipment, user responsibilities, ownership and insurance.
- Have programs in place to educate our students to be safe and responsible users of digital technologies;
- Educate our students about digital issues such as online privacy, intellectual property and copyright;
- Supervise and support students using digital technologies in the classroom;
- Use clear protocols and procedures to protect students working in online spaces. This includes reviewing the safety and appropriateness of online tools and communities, removing offensive content at earliest opportunity, and other measures; (see **Internet Usage Policy**)
- Provide a filtered internet service to block inappropriate content. We acknowledge, however, that full protection from inappropriate content cannot be guaranteed
- Use online sites, cloud based offerings including Office 365 and digital tools that support students' learning;
- Address issues or incidents that have the potential to impact on the wellbeing of our students;
- Refer suspected illegal online acts to the relevant Law Enforcement authority for investigation;
- Support parents and care-givers to understand safe and responsible use of digital technologies and the strategies that can be implemented at home. The following resources provide current information from both the Department of Education & Training and The Children's eSafety Commission:
  - [Bullystoppers Parent Interactive Learning Modules](http://www.education.vic.gov.au/about/programs/bullystoppers/Pages/parentmodules.aspx)  
([www.education.vic.gov.au/about/programs/bullystoppers/Pages/parentmodules.aspx](http://www.education.vic.gov.au/about/programs/bullystoppers/Pages/parentmodules.aspx))
  - [iParent | Office of the Children's eSafety Commissioner](https://www.esafety.gov.au/education-resources/iparent)  
(<https://www.esafety.gov.au/education-resources/iparent>)
  - For further support with online issues parents/carers can contact Parentline on 132289.

## Safe and Responsible Behavior Online

When I use digital technologies I **communicate respectfully** by:

- always thinking and checking that what I write or post is polite and respectful
- being kind to my friends and classmates and thinking about how the things I do or say online might make them feel (*ask students to reflect on how they would feel.*)
- not sending mean or bullying messages or images or forwarding them to other people.
- creating and presenting my own work, and if I copy something from online, letting my audience know by sharing the website link to acknowledge the creator.

When I use digital technologies I **protect personal information** by being aware that my full name, photo, birthday, address and phone number is personal information and is not to be shared online. This means I:

- protect my friends' information in the same way
- protect my passwords and don't share them with anyone except my parent and teacher
- only ever join spaces with my parents or teacher's guidance and permission
- never answer questions online that ask for my personal information
- know not to post three or more pieces of identifiable information about myself.

When I use digital technologies I **respect myself and others** by thinking about what I share online. This means I:

- stop to think about what I post or share online
- use spaces or sites that are appropriate, and if I am not sure I ask a trusted adult for help
- protect my friends' full names, birthdays, school names, addresses and phone numbers because this is their personal information
- speak to a trusted adult if I see something that makes me feel upset or if I need help
- speak to a trusted adult if someone is unkind to me or if I know someone else is upset or scared
- don't deliberately search for something rude or violent
- turn off or close the screen if I see something I don't like and tell a trusted adult
- am careful with the equipment I use.

At school we/I have:

- discussed ways to be a safe, responsible and ethical user of digital technologies.
- presented my ideas around the ways that I can be a smart, safe, responsible and ethical user of digital technologies.
- Had explained that Office 365 and other cloud based offerings are used only for school related activities.

I will use this knowledge at school and everywhere I use digital technologies

## Student Agreement/Licence

### Student Agreement/Licence

Mr Mark Hanson

\_\_\_\_\_  
(principal or teacher)

**acknowledges the commitment of**

\_\_\_\_\_  
(student)

**to being a polite, safe, responsible and ethical user of digital technologies.**

As a student I continue to learn to use digital technologies safely and responsibly.  
I will ask a trusted adult for help whenever I am unsure or feel unsafe.
