

Fundraising Policy

RATIONALE

Fundraising is an important way for Knox Park Primary School to raise money so that it can deliver additional learning opportunities, programs for students, and improve school amenities for which money might otherwise not be available through the Student Resource Package (SRP). School staff, students, or the Parents Association may want to undertake fundraising activities for Knox Park Primary School.

AIM

To provide parents/carers and other members of our school community with an overview of Knox Park Primary School's approach to fundraising.

IMPLEMENTATION

Knox Park Primary School encourages all members of our school community to be involved in fundraising initiatives and school council welcomes all proposals for fundraising.

Fundraising is a function of the school council and council must approve all fundraising events or activities on behalf of our school.

At the beginning of each school year, the school council will approve any fundraising events or activities for the upcoming year presented by the Parents Association. If it is necessary during the year, the school council may approve additional fundraising events or activities.

In deciding whether or not to approve particular fundraising events or activities, the school council will act in accordance with legal requirements, any relevant Department of Education and Training policy or guideline, and the Department's Finance Manual for Victorian Government Schools.

All money raised through fundraising, unless legally otherwise provided for, will be held on trust by the school council for the general or particular purpose for which it was raised.

Fundraising for Charitable Causes

Knox Park Primary School may also decide to fundraise for charitable causes. In deciding whether or not to fundraise for a particular charitable cause, the school may:

- Consider whether the methods used to raise funds for any specific charitable appeal are appropriate
- Seek written advice from organisations promoting fundraising activities on the percentage of funds raised that are directed to the named charity
